

# Hilton Area Neighbourhood Development Plan Survey

## 1. Welcome to the Hilton Area Neighbourhood Development Plan survey

Thank you for participating in our survey which covers the villages of **Hilton, Marston-on-Dove and Hoon - the "Hilton Area"**. The Neighbourhood Development Plan project is sponsored by the Hilton Parish Council and is being performed to inform future planning and development. More details can be found on our website [www.YourVillageYourVoice.org.uk](http://www.YourVillageYourVoice.org.uk)

If you've received this, and **don't live** in any of these villages, please **don't complete the survey**

If you have a paper copy, there is a **preferred option** of doing a simple on-line version (Survey Monkey) through a **link on our website**, above.

All members of the household can complete a survey - please feel free to make additional copies or multiple submissions on Survey Monkey.

This survey is in support of the Hilton Area Neighbourhood Development Plan which is a project run by volunteer residents and sponsored by the Hilton Parish Council. The project was formally launched in January 2018 at a public meeting in the Hilton Primary School.

The Plan looks at all aspects of the Hilton Area – Housing, Schools, Transport and Traffic, Environment, Shops and amenities, Leisure and Business. We will use the responses to the questionnaire to shape planning policies which, when finally agreed, will have legal significance in deciding future developments. Some of the analysis will be forwarded to the Parish, District and County Councils to help influence more shorter term improvements.

After all of the surveys have been returned, the results will be analysed. Further community consultations will take place and a draft document with proposed policies prepared at the end of the year. This will be presented to residents to seek further feedback and guidance.

To encourage people to do the survey there are 3 cash prizes (£100, £50, £50) chosen at random. Please enter your contact details at the bottom of the survey.

Many thanks and we look forward to hearing from you,

The Neighbourhood Development Plan Steering Group
